Dear Nicola and Sarah

### **Congratulations on your Ofsted rating**

I want to congratulate you, your leadership team, your whole staff team and the trust of which you are part on your recent Ofsted inspection of your school.

This is a great achievement and I am grateful for the work that you and colleagues are doing in the school and for the difference that you are clearly making to the lives of your pupils.

The school and trust have showed determination and commitment to provide high standards of education and wellbeing for the children and young people in your school community. This is a wonderful example of leadership, education, and dedication.

If you need to contact me or a member of the team, please do get in touch via [RG.WM@education.gov.uk](mailto:RG.WM@education.gov.uk).

Congratulations and thank you again for the work you are doing.

Yours sincerely

Andrew Warren
