2nd August 2019

Dear Nicola

Herefordshire Council is committed to keeping children and young people safe and to giving them the very best start in life. As part of our statutory duties, we monitor school performance closely. Schools are issued with annual performance targets which, if achieved, mean that a school's overall performance ranks amongst the top 25% best performing schools in the country.

We are delighted to write to you regarding the outcomes achieved by Year 6 children who recently left your school at the end of their primary education. Outcomes at Eastnor Parochial Primary School in reading, writing and mathematics at the end of Key Stage 2 in 2019 were ten percentage points above the national average. In addition, your school met all of its local authority targets relating to the number of children meeting the expected standard in reading, writing and mathematics. This is an exceptional achievement – congratulations to pupils and staff.

Please accept our thanks to you and your staff for all you are doing to drive standards. In doing so, you are enhancing the life chances of children across our county.

Yours sincerely

LISA FRASER
ASSISTANT DIRECTOR EDUCATION, DEVELOPMENT & SKILLS
