

## COVID CATCH UP PREMIUM SPENDING 2020

### EASTNOR C of E PRIMARY SCHOOL

#### Total allocation = £7,360

Due to the Covid-19 pandemic, the Government has issued additional funds to support the learning that children may have missed during school closures.

Schools have been allocated funds based on school numbers at £80 per pupil.

The DfE state: Schools should use this funding for specific activities to support their pupils to catch up for lost teaching over the previous months, in line with the guidance on curriculum expectations for the next academic year.

Schools have the flexibility to spend their funding in the best way for their cohort and circumstances.

To support schools to make the best use of this funding, the Education Endowment Foundation (EEF) has published a coronavirus (COVID-19) support guide for schools with evidence-based approaches to catch up for all students. Schools should use this document to help them direct their additional funding in the most effective way.

We will be focussing our main teaching to push all learners forward, whatever their starting ability. We will also support those lower achievers and those that have not performed as expected in our baseline assessments with some additional 'catch-up' work.

Below is listed the ways in which Eastnor C of E Primary will be spending the 'catch-up' money.

Action	Reasoning	Cost
Additional hours for teaching support staff.	<ul style="list-style-type: none"><li>Additional 2 days a week is required so there is a full time teaching assistant in both of our KS2 classes.</li><li>Staff to support small group interventions and whole class teaching</li><li>Staff also available for pre and post lesson catch-up teaching on a 1:1 basis/small group basis if required.</li></ul>	£5860
I-pads and headsets purchased	<ul style="list-style-type: none"><li>Children needing additional support can use I-pads regularly to support English and Maths interventions.</li></ul>	£1500
